

## SCAE IRELAND CDS CALENDAR 2016

SCAE Ireland is happy to announce the fifth year of the SCAE Coffee Diploma programme.

The SCAE Coffee Diploma encompasses coffee education and certification in six different modules in different disciplines: Introduction to Coffee / Green Coffee / Barista Skills / Brewing / Sensory Skills / Roasting, each with three levels of qualification: Foundation / Intermediate / Professional. We will try our best to be able to deliver the majority of the modules.

Participants can sit modules and certifications specifically to suit their profession or sit all modules and earn themselves a SCAE Coffee Diploma.

With a curriculum written by renowned industry experts, it is an opportunity for those involved in the coffee sector to up skill in all things coffee.

Because of the demand of the coffee community we are focusing our resources on to the Barista Modules. Find the Barista Courses Calendar below.

Other Modules will be added in when the demand requires, please keep an eye on the website!
